

RED PEPPER

Cater Red Pepper grinders to your next event, big or small. Grinders are the sub sandwiches that have made The Red Pepper a local landmark for over 35 years. Consisting of our signature "White Sauce", Lettuce, Hot Sauce, your choice of: Ham, Turkey, or Salami (or any combination), and Swiss Cheese, Colby Cheese, & Taco Meat, Red Pepper Grinders are sure to be a hit at your next event or meeting. Catered grinders are made fresh, but because we make them in bulk we cannot make variations for individual grinders. Catered grinders are typically "quarter cut" and are always made with EZ white & hot sauce with extra sauce on the side.
